

AMITY INTERNATIONAL SCHOOL SECTOR 46, GURUGRAM

April & May, 2024

CHAIRPERSON'S MESSAGE

Dear Amitians,

Greetings!

"To succeed in your mission, you must have single-minded devotion to your goal." - APJ Abdul Kalam

I would like to congratulate all the students and staff members of AISG-46 for an eventful start of the 2024-2025 session. I hope all the new students have settled in and the school is into its regular routine. As the year passes by, you will feel the rigour of studies a bit daunting! However, remember that all the good things in life come through hard work, dedication, consistency and patience. As Dr. Kalam our Ex-President rightly stated, success in one's mission is the result of "single-minded devotion" to one's goal!

This year the results of the grade 10 and grade 12 Board Exams have been exceptional and I congratulate all the stakeholders who have worked hard towards this end. To succeed in one's mission indeed requires single-minded devotion to one's goal, and this is something you have proved. The BHAG mantra given to us by Dr. Ashok K. Chauhan, our Founder President can be a great key to success. Each value in the BHAG mantra is an important step towards the path of success.

The holidays have finally come and for you students it is a time when you finally get the chance to take a break from studies and pursue your hobbies. It is therefore not surprising that holidays help us de-stress because we do things that give us pleasure and put our minds into things that give us ease and relaxation. It is one time when you can travel to your desired destinations giving yourself a break from the hectic and routine life. It is time for you also to build lifelong memories when you can be together with your family either at home or go for a travel. This will enable you to open your mind to new cultures, a wide variety of foods and a world of experience. This furthermore creates opportunities for good health. It is therefore not surprising that once people return from vacation, they are filled with a renewed vigour. A positive and well managed vacation can make you happier and even more creative. This can add to your improved productivity by being sharper and more engaged. Your brain gives you a boost of dopamine and the neurotransmitter make you feel good. The more active you are with your leisure time, the better your metabolism responds during work time.

Now that your Summer Vacation has started, I suggest that you use your free time wisely. There should be a balance between your pleasure trips and studies. Your teachers will have given you some holiday homework, start working on the same so that you don't have to rush to complete it towards the end. Use this time to connect with your relatives, family members and close friends. Exercise regularly, meditate and introspect.

These values can help us achieve our goals. As you move on in life, you will appreciate these values for what they stand for.

I wish you all the best during this academic session work hard, study hard and may success be yours!

With best wishes

(Dr.) Amita Chauhan

Chairperson

PRINCIPAL'S MESSAGE

Dear Readers,

Amity 46 is constantly trying to create opportunities for young minds to be agile, empathetic and to think beyond textbooks in a bid to be Innovative. Using new technology and new ways of thinking, to add value to an existing idea or product and to make substantial changes in society is termed as Innovation.

For an idea to turn towards innovation, it should be desired by the user, feasible to make and viable economically. According to a published survey, more than 40% of the global workforce will be obsolete and over 800 million jobs will be lost world wide, due to automation by the year 2030. Therefore Education should not be slow to react and should empower the students to match technological changes and acquire 21st century Innovative skills in a bid to deal with the challenges of a changing world. The Five core skills of innovators are- to Observe minute details, be Inquisitive, Associate with like minded, Experiment in collaboration with others and Network with guides & mentors for support. Having an innovative mind helps the students to face real-life situations and work in tandem with others. It helps them to have the habit of setting personal goals, planning their own action, being flexible, acquiring a growth mindset besides being self directed and creative. Innovative minds are those which learn to acquire skills of empathy and self control in a bid to solve the problems of real life. I wish all the students to get inspired by their surroundings, to think beyond textbooks, to be hungry for information and brainstorm ideas with others. Think out of the box for Vasudha projects and bring an end to the problems around you. Exploring through laboratory investigation methods, online simulations, reading & researching and making prototypes are the steps ahead in this direction. Asking questions and exploring the limits of your understanding helps you to acquire a problem-solving attitude and enhances your belief in your ability to think in a logical manner. Positive and constructive thinking with the attitude to explore, brainstorm and share, coupled with the ability to imagine and visualise creative solutions, leads to forming an innovator's mindset. I wish you all the best in your pursuit to be the future innovators and entrepreneurs that our nation would be proud of. Happy Reading!

Arti Chopra

Principal

POETIC EXPRESSIONS

DYSLEXIA

Dyslexia is not something you catch ;
On the paper, thoughts and words don't match
There are so many things about Dyslexia
My problem is I can't get my visions on paper
It doesn't mean I am not clever
Thoughts are clear in my mind
While noting down it on paper I feel like blind
I can understand the problem in my head
But difficult to write it down
Some confuse me, few abuse me
Until they see my frown
After turning my life around
Please don't let me down
Love is a great emotion
That boosts our determination
It makes us feel a sweet sensation
Let me fulfill my dreams
Let me go on!!
Without looking back
On an On!!

GREEN ENERGY VIA SOLAR GLASS

Solar power is the eight wonder on this earth
In the time when all natural resources are in
dearth
We all should move towards solar energy before
its too late
Else no point in repenting or cursing our fate
Using energy from solar and wind is clean
In fact it's the way forward to be green
Solar energy is a beautiful gift from sun
A shift towards this has already begun
A mass move is needed to make more people
aware
So that greenery and clean environment does not
become RARE
India is a country where population is dense
Use of solar glass is must as its benefits are
immense!

-Hitaarth Mehta

STORY– THE DREAM

Once upon a time, there was a boy named Charlie. He was a writer. He used to create beautiful fiction stories. He used to write whatever he imagined. One day when he was sitting, thinking about his new story, he wasn't able to imagine much. Everytime he thought of a story but couldn't complete it. He sat for hours, thinking about a new story, and ended it nicely but wasn't able to. It was night. He quickly ate his dinner and went to bed. He kept on thinking and thinking till it was midnight. After some time, he finally went to sleep. He started dreaming. His dream was different. He saw that he was on a hill, far away from his house. The hill was full of greenery. It was like a sea of foliage. He kept breathing the fresh and cool air around him. Suddenly, a spotlight fell on him. When he looked up, to his surprise, he saw a UFO. He knew that it was not real but right now he wasn't able to differ between his dream and reality. He saw some aliens coming out of the UFO. One by one all the five came out. They all were saying something. Charlie was not able to understand it. They all kept saying it for some time. Then, they took out a device from their spaceship and said something in it. It was a translator. Now I knew what they said. They were saying, "Hello Charlie! We are living beings from Jupiter. We have come here to take you to a secret place. Please come with us." Before Charlie could even reply, the aliens dragged him under the UFO and within a fraction of a second a flash came and he was in their spaceship. They went somewhere at the speed of light. Soon they reached and the gate of the spaceship opened. The aliens threw Charlie out of the spaceship without telling anything, and went. At this point, he was not the Charlie who he was before. Instead he changed to a five year old Charlie. Currently he was on a small plateau. There was a little bit of dry grass around him. He turned back and what he saw, it was a giraffe. But it wasn't a normal one. It was hundred times bigger than a normal one. Charlie got scared. He kept looking into the giraffe's eyes and so did the giraffe. Charlie thought that as if the giraffe's eyes were beseeching Charlie to give him some food. Charlie didn't know what to do. Then he got an idea. He picked up some dry grass and took it closer to the giraffe's mouth. The giraffe ate it and was very happy. The giraffe again tried to say something with his eyes. Charlie, not knowing how but understood what the giraffe was saying. He jumped and sat on its back. The giraffe started to walk. After some time they reached the place. Charlie was now a normal man. He got off from the giraffe's back and stood straight. Suddenly, the giraffe vanished. Charlie was now in the arctic region. The land was covered with snow. He saw some creatures who were slowly moving in a line. First he saw that there were only snowy mountains but when he observed it for some time, he saw that the mountains were moving. The mountain rose up and converted into a monster. He understood that all the beings were doing like this because they were scared of the monster. So, Charlie didn't follow the monster because he was not used to stay under someone's orders. The monster got angry. It took Charlie in its hands and tried to kill him. As he was about to kill Charlie, a dazzle of light flashed. Charlie was awake. He thanked god that it was just a dream. He was also happy because now he was totally ready to start a new story. Charlie soon wrote this dream as a story and published it.

CELEBRATION OF MULTIDISCIPLINARY EXCELLENCE AT AESTHETIC SCHOOL AWARDS 2023-24

AIS46 has been recognized as one of the winners of the prestigious Aesthetic School Awards 2023-24 in the category of 'Multidisciplinary Experiences' by Learning Feet. This accolade was awarded for the school's innovative approach to integrating various disciplines into its curriculum, promoting a holistic and well-rounded educational experience for students. AIS46's programs emphasize creativity, critical thinking, and the arts, reflecting a commitment to fostering an environment where students can explore diverse interests and develop a broad range of skills.

In addition to the school's award, Mrs. Arti Chopra, the Principal of AIS46, received the award for visionary leadership in fostering aesthetic literacy under the category of 'Multidisciplinary Experiences.' Mrs. Chopra's dedication to integrating aesthetic education into the school's core values has been instrumental in shaping the school's unique educational model, which combines academic excellence with artistic and creative pursuits.

The awards were presented on Friday, April 12, 2024, at the Ballroom, Sheraton Hotel, Saket, New Delhi, during the 1st EDU-Conclave and Aesthetic School Awards. This annual event, organized by Learning Feet, aims to celebrate and acknowledge the outstanding efforts of educational institutions in promoting creativity, an appreciation for the arts, and a holistic approach to learning. The event brings together educators, administrators, and thought leaders to share best practices and innovations in education.

The Aesthetic School Awards serve as a testament to AIS46's commitment to excellence in holistic education, recognizing the school's efforts to create an enriching and dynamic learning environment. These awards highlight the importance of multidisciplinary approaches in education, which prepare students to navigate and succeed in a complex, interconnected world. By celebrating schools and leaders who prioritize comprehensive education, the Aesthetic School Awards underscore the vital role of creativity and the arts in shaping future generations.

CLASS X CBSE BOARD RESULTS 2023-24

A SHOWCASE OF OUTSTANDING PERFORMANCE OF OUR AMITIANS

Under the visionary leadership of Dr. (Mrs.) Amita Chauhan, the Chairperson of the Amity group of Schools, and the invaluable guidance provided by School Principal Ms. Arti Chopra, students of Amity International School, Sector-46, Gurugram, have demonstrated exceptional dedication and resilience in their performance during the recently concluded CBSE Class X examination for the academic year 2023-24. Arnav Jain stood out as the top scorer with an outstanding 99.6% marks. Following closely behind is Pakhi Bisht with an impressive 99.2%, along with three students securing an outstanding 99%. Additionally, an impressive 76 students achieved a perfect 100/100 across all subjects, further elevating the school's reputation and honouring its dedicated teaching staff.

Congratulations to all the shining stars !!!

ATL COMMUNITY DAY: FOSTERING INNOVATION

The Amity International School, Sector 46, Gurgaon, held its ATL (Atal Tinkering Lab) Community Day on April 19, 2024, marking a celebration filled with fervour and engagement. The event hosted 46 students from two community schools, one government and one NGO. The aim of the event was to spotlight the innovative projects and activities nurtured within the ATL, cultivating a spirit of creativity, problem-solving, and technological prowess. Under the blessings of the Chairperson of Amity Group of Schools and RBEF, Dr. Mrs. Amita Chauhan and her steadfast encouragement and guidance the event was instrumental in igniting students' creative potential and fostering a passion for technology. The esteemed presence of Ms. Arti Chopra, the school's dynamic Principal, added to the occasion's significance, reflecting her visionary leadership and commitment to fostering a culture of innovation and excellence.

The highlights of the event included displays of innovative projects, such as a Robot for Blind People, showcasing students' empathy and commitment to addressing real-world challenges. Educational and interactive games like Gyan Chaupar and Tambomatics aimed at making learning more engaging and accessible. Introductions to Artificial Intelligence (AI) and AI-generated images offered insights into cutting-edge technology. The program also featured hands-on activities like drone flying, 3D printing workshops, line-following robot demonstrations, and RC robot car building. The event provided participants with practical experience and exposure to various technological domains.

ENHANCING CYBERSECURITY AWARENESS: INSIGHTS FROM THE WORKSHOP

The Amity International School, Sector 46, Gurgaon recently hosted a Cybersecurity Awareness workshop for students of classes 7 through 10, aiming to impart crucial knowledge about cybersecurity in today's digital landscape. The workshop, conducted on April 8th for grades 7 and 8, and on April 25th for grades 9 and 10, was designed to educate participants about the significance of cybersecurity, familiarize them with common cyber threats, and equip them with practical strategies to bolster online security. Our chairperson, Dr. Mrs. Amita Chauhan's steadfast encouragement and guidance have been instrumental in the organisation of workshops that have a great importance in promoting important life skills in students.

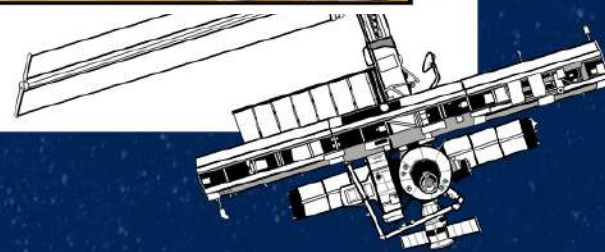

Mr. Rakshit Tandon, the resource person, who is also a renowned cyber safety expert, was warmly welcomed and honoured by our dynamic Principal Ms. Arti Chopra. Interactive presentations and real-life case studies, helped participants gain a comprehensive understanding of cybersecurity concepts. Students and staff members gained invaluable insights into safeguarding their digital assets.

REACHING FOR THE STARS: OUR SUCCESS AT ARSSDC 2024

The Amity International School Sector 46 Gurugram, along with five other schools from countries like Pakistan, China, and India, proudly participated in the competition, securing the runner-up position in the Asian Regional Space Settlement Design Competition (ARSSDC), organized by the National Space Society, unfolded in Dubai, UAE from March 29th to April 1st, 2024. This immersive event served as a real-life industry simulation, offering students a hands-on understanding of aerospace operations. The Chairperson of Amity Group of Schools and RBEF Dr. Mrs. Amita Chauhan's steadfast encouragement and guidance have been instrumental in igniting students' creative potential and fostering a passion for technology.

The AISG46 team, comprising of students from grades X to XII, embarked on the challenge of creating a comprehensive 50-page proposal based on the judges' Request For Proposal (RFP). Overcoming obstacles such as communication gaps and language barriers, they tackled real-world industry challenges, envisioning a settlement around the sun to manoeuvre asteroids for future resource utilization on the Earth. Additionally, students from AISG46 were recognized for their outstanding achievements. Bhavya Jain, a student in class XII, received the prestigious Dick Edwards Award for exceptional leadership. Meanwhile, Sushanth Dasari from class X was honoured with the social media award for effectively showcasing the school's participation in the competition's social media campaign.

PARENT ORIENTATION: NURTURING GROWTH

Amity believes that education is the shared commitment between dedicated teachers, motivated students, and enthusiastic parents. Together we can give our children the roots to grow and the wings to fly! With the blessings of our respected Chairperson Ma'am Dr. (Mrs.) Amita Chauhan AIS 46 Gurgaon organized an orientation program for the parents of new students in Grades II to X in the school premises. The Orientation was conducted in two time slots.

School Principal, Ms. Arti Chopra, welcomed the parents and in her presentation on Implementation Framework to Achieve Excellence she guided parents on how they can support their children to achieve excellence and excel in life. In her address principal ma'am also highlighted the achievements of Amity 46 in the field of academics and extra-curricular activities. Dr. Lalit Mittal, consultant – Amity Science Foundation, talked about how STEM labs and Coding gave Amitians the platform to showcase their excellence in Science and Mathematics both nationally as well as internationally.

The parents were oriented about the assessment pattern, pedagogy, curriculum design and various events and activities designed for students Ms. Ranjana Sharma the Headmistress of the middle block Ms. Amrita Basu (Synchro Coordinator) apprised students about

Synconnect courses respectively. Parents were informed about the Counseling facility and Learning Enhancement Center (LEC) for educating students with special needs by the team of counselor and special educator.

The highlight of the Orientation session was the section where Ms. Amika Handa CEM Cambridge English Assessment Programme acquainted parents with the Cambridge English programme at the various class levels and explained about its benefits. The session was very informative and parents were impressed with the wide range of academic and extra-curricular activities that Amity is providing to the students.

AN ETIQUETTE SESSION: CULTIVATING CHARACTER AND DEVELOPING PERSONALITIES

The Amity International School, Sector 46, Gurgaon hosted a session on Etiquettes for students from class V to XII, aligning with its commitment to holistic education on the 22nd of March, 2023. The resource persons were Ms. Roshni Kapoor and Ms. Masha from the Amity Finishing School. Under the able guidance of our visionary chairperson, Dr. Mrs. Amita Chauhan's steadfast encouragement and guidance we have been able to conduct workshops that address important social skills in our students.

The Principal, Ms. Arti Chopra, warmly welcomed resource persons Dr. Ishani, Ms. Roshni Kapoor, and Ms. Masha from Amity Finishing School. The session aimed at enhancing students' personal image, etiquette management, and overall personality development. Through various activities such as role play, dialogue delivery, and enactment, students were guided in improving body language and becoming attentive listeners. Audio-visual techniques were employed to facilitate effective comprehension of the topics. Particularly noteworthy was the students' participation in role plays to demonstrate soft skills, which proved to be highly meaningful. The session was organized according to grade levels, with topics including Confident Conversations & Social Skills for classes 5, 6, and 7; Smart Goal Setting for classes 8 and 9; and Time & Attitude Management for classes 10, 11, and 12. Overall, the session was well-received and contributed significantly to students' personal and interpersonal development.

EXPLORING SUSTAINABLE SOLUTIONS

FIELD TRIP TO TERI GRAM

Under the visionary leadership of Dr. (Mrs.) Amita Chauhan, Chairperson of Amity Group of Schools and RBEF, and with the guidance of our dynamic Principal, Mrs. Arti Chopra, the students of Amity International School, Sector 46, Gurgaon, from class VIII embarked on a field trip to TERI GRAM. This educational excursion provided students with practical insights into energy conservation strategies and agricultural techniques.

The visit proved to be both captivating and enlightening as students were introduced to various sustainable practices

implemented at TERI GRAM. A notable highlight was the earth tunnel system showcased, which efficiently maintains a temperature of around 22 to 25 degrees Celsius in 15 rooms using a single fan. Through explanations provided, students gained a deeper understanding of energy conservation processes.

Furthermore, the students had the opportunity to observe a bio gas producer in action, learning about its role in renewable energy generation. They were also shown the Vermicompost pit and a variety of medicinal plants, with explanations provided on their significance in daily life and ecosystem balance.

The activity, offered practical exposure that complemented their classroom learning. It not only expanded their understanding of energy conservation strategies but also deepened their appreciation for sustainable agriculture practices. Overall, the visit to TERI GRAM was an enriching experience that broadened students' perspectives and fostered a deeper connection to environmental sustainability. It was, indeed a meaningful visit that provided an experiential learning opportunity for the students.

PRERNA DIWAS: EARTH DAY CELEBRATION

Earth Day serves as a poignant reminder that individual actions can have a profound global impact for the betterment of our planet. At the Amity International School, Sector 46, Gurugram, Earth Day was celebrated in a week-long event known as "Prerna Diwas" (22nd April to 27th April), under the gracious blessings of our beloved visionary Chairperson, Dr. (Mrs.) Amita Chauhan and mentorship of school Principal, Mrs. Arti Chopra.

Throughout the week, our school community engaged in a series of educational and action-oriented activities aimed at promoting environmental awareness and sustainability. From students to support staff, teachers, guards, and administrative staff, everyone enthusiastically participated in our "Go-Green Initiative."

Various initiatives included informative discussions on "Zero Waste Lunch," engaging Ted Talks, captivating theatre performances, and the creation of informative infographics. Furthermore, we organized a plantation drive to instil a sense of responsibility towards nurturing and preserving our natural surroundings.

EMPOWERING LEADERS: INSIGHTS FROM THE LEADERSHIP WORKSHOP

Leadership is not just the power to deliver success but the passion to empower, create and make a difference.

On April 5, 2024, the school convened a leadership workshop under the esteemed guidance of Dr. (Mrs.) Amita Chauhan, our Honourable visionary Chairperson, led by our dynamic Principal Ms. Arti Chopra for the Junior and Senior Council members.

Our Principal, Ms. Arti Chopra, discussed the importance of establishing a clear vision and sharing that vision with others. The workshop delved into multiple dimensions of leadership and the effects it has on an individual's life. Mrs. Chopra, explained how leadership is not just about authority or assertiveness but also about acquiring new skills and maintaining the ones we have with consistency. She further highlighted how this effective amalgamation of flexibility in methodology but rigidity about principles and values reflects an ability to use constructive criticism to continuously improve and build.

Self-actualization is the broad umbrella term under which a leader can categorize his self-development using analyses like SWOT to transform weakness into strengths and threats into opportunities. The council members were truly inspired by the words of wisdom of dynamic principal ma'am and motivated the council to carve out new and innovative solutions to what they earlier perceived as a mountain of problems. It taught them to dream bigger yet stay level-headed and compassionate, a lesson in leadership that will surely be remembered for years to come.

YOUTH POWER 2023-24

One fine vibrant morning on the 2nd of May 2024, the halls of Amity University Noida were filled with an electric buzz of excitement and anticipation as students from all Amity schools gathered for the grand finale of Youth Power 2023-24, under the guiding light of our esteemed Chairperson, Dr. Mrs. Amita Chauhan. The unstinting support of our dynamic principal, Ms Arti Chopra proved a strong driving force to achieve this accomplishment.

The 15th edition of Youth Power which took place on the 2nd of May, 2024 aimed to ignite the spirit of innovation, creativity, and exploration among students, providing them with a platform to express themselves on pressing societal issues. Throughout the year, students participated in a myriad of competitions, showcasing their talent and commitment. This year the team focused on Dyslexia, a learning disability that affects 20% of the population. Our students received the Best Panel Discussion award and Jury Special Mention.

The AISG46 Team Umeed's team members comprised of:

Venessa Verma – Team Leader, Aastha Sood, Hansika Ralli, Aaditya Garg, Ms Deepika Bailey (Mentor Teacher)

ECO-RUN FOR A SUSTAINABLE TOMORROW

With the support and encouragement of the esteemed Chairperson, Dr. (Mrs.) Amita Chauhan, Amity International School Sec 46 embarked on its second edition of 'Run for a Greener Planet' on May 4th, 2024. This event was meticulously organized to underscore the pressing need of our era: the preservation of our planet from the throes of global warming, chiefly through the propagation of trees.

The event commenced with a warm welcome extended by the Principal, Mrs. Arti Chopra, who urged both parents and students to participate in the even with unwavering enthusiasm. This rallying call set the tone for the event, fostering a sense of sportsmanship and collective responsibility towards environmental conservation.

The Chief Guest, Ms. Geeta Yadav, SHO Women's Cell Police Station, Sector 51, a distinguished athlete renowned for her accolades in various sporting domains such as yoga, kho kho, kabaddi, long jump, and high jump. Ms. Yadav delivered an inspiring address, urging participants to embrace an active lifestyle and prioritize sports. Her words resonated deeply, igniting a spirit of determination amongst the runners.

The event featured three distinct categories of runners: juniors (aged 11 to 13), seniors (aged 14 to 17), and a special category comprising parents and alumni. The track echoed with the pounding footsteps of eager participants, each stride symbolizing their commitment to a greener future.

REGIONAL F1 IN SCHOOLS RACING COMPETITION

Venue: Suncity School, Sec-37D, Gurugram

Participating teams from AISG46: Velocity Vortex and Phenomenal Phoenixes

Team Qualified for Nationals: Phenomenal Phoenixes

The Regional F1 in Schools Racing Competition held at Suncity School, Sec-37D, provided a platform for young talent to demonstrate their skills and innovations. Among the total sixty teams, our school's students — Rushil Sehra (7SC), Pranshul (7H), and Arnav Garg (7SC) — represented by the name Phenomenal Phoenixes, displayed exceptional competence throughout the competition.

Despite the tough competition, the Phenomenal Phoenixes demonstrated outstanding performance, securing their position among the top 25 teams selected to advance level to the Nationals. This achievement highlights their dedication and technical expertise in the field of racing and engineering. The team was also nominated for the prestigious Verbal Presentation segment, showcasing their ability to articulate their ideas, strategies, and innovations with clarity and precision.

PROTSAHAN ANNUAL PRIZE DISTRIBUTION CEREMONY

“A dream doesn't become reality through magic; it takes sweat, determination and hard work.” - Colin Powell

The Annual Prize Distribution ceremony Protsahan an occasion to celebrate the achievements of Amitians who have attained excellence in academic and co-curricular spheres through dedicated hard work and perseverance took place on the 22nd and 23rd. Aligned with the global vision of Dr. (Mrs.) Amita Chauhan, Chairperson of the Amity Group of Schools, and the inspiring leadership of our dynamic Principal Mrs. Arti Chopra, the Protsahan Diwas ceremony was celebrated in the school premises. The School having grown exponentially, the Annual Academic Prize Distribution had to be held separately for classes for primary & senior block on two days.

The school Principal Arti Chopra congratulated the awardees and motivated them for further excellence. On 22nd April 2024, Dr. Ms. Kavita, HCS, ACP (Crime against women cell, Gurugram) was the chief guest. Advisors of Amity group of schools Mr. Naresh Atreya (VP Operations), Dr. Mukesh Chand (Consultant) and Mrs. Anita Setia (Consultant HR & Training) graced the event with their presence. Students were awarded with certificates and trophies for 18 different categories.

TRIUMPH OF CREATIVITY: ODYSSEY OF THE MIND JOURNEY

With the esteemed blessings of our Founder President, Mr. Ashok K Chauhan and Chairperson of Amity Group of schools and RBEF, Dr.(Mrs.) Amita Chauhan, Amity International School, Sector 46 Gurugram, recently participated in the regional round of Odyssey of the Mind, held on March 2, 2024, at Amity International School Vasundhara Sector 1. Led by Principal Ms. Arti Chopra, students of AISG46 enthusiastically engaged in all five long-term problems, including Vehicle, Structure, Classical, and Theatrical challenges, along with Spontaneous problem-solving. The competition, aimed at nurturing creativity and testing students' grit, problem-solving, art, and presentation skills, provided a challenging yet rewarding experience. Judges commended students for their inventive solutions, unique costumes, makeup, and props, resulting in accolades in various categories, including Silver for Vehicle, Balsa Wood Structure, Theatrical, and Spontaneous rounds, and Gold for Classics. This event highlighted the dedication of participating students and mentors, showcasing their talent and determination. Overall, it was a successful demonstration of creativity and teamwork.

YRONS 2024 (BUDAPEST)

The YRoNS 2024 conference was an enriching experience filled with engaging presentations, insightful lectures, cultural exploration, and meaningful interactions. From the excitement of arriving in Budapest and being warmly welcomed by host families to the intellectually stimulating sessions and immersive cultural activities, each day offered new discoveries and memorable moments. Exploring landmarks, like the Buda castle, Matthias Church, the Danube river and much more, attending workshops, and experiencing the rich history and vibrant culture of Budapest added depth to the conference experience. The opportunity to connect with peers, educators, and guest speakers fostered a sense of camaraderie and learning. The opening ceremony featured speeches from Mr. László Moss and Mr. István Sándor, followed by lectures from guest speakers like our dear honourable chairperson ma'am Ms. Amita Chauhan. The conference culminated in a memorable closing ceremony and jazz concert, marking the end of a fulfilling and unforgettable journey.

Each day was filled with enriching experiences, cultural exchanges, and memorable moments with host families.

RIPPLES OF AWARENESS: STUDENT-LED WATER CONSERVATION DRIVE

Keeping up with the visionary leadership of Dr. (Mrs.) Amita Chauhan, Chairperson of Amity Group of Schools and RBEF, and the guidance of our Principal, Mrs. Arti Chopra, the Amity International School, Sector 46, Gurgaon in commemoration of World Water Day, organized a water conservation activity for students in Grades IV and V on March 22, 2024. The objective was to spread awareness about the importance of water conservation and motivate students to take action at their own level.

The activity commenced with group discussions, where students actively engaged in conversations regarding the necessity of conserving water in their daily lives. Through these discussions, students gained insights into the various ways they could contribute to water conservation within their families and communities.

To further reinforce their understanding, students were tasked with maintaining a water diary to record the weekly consumption of water by their families. This practical exercise allowed students to analyse their water usage patterns and identify areas where they could potentially reduce wastage.

NATIONAL ASTRONOMY DAY: EXPLORING SPACE

Keeping up with the visionary leadership of Dr. (Mrs.) Amita Chauhan, Chairperson of Amity Group of Schools and RBEF, and the guidance of our Principal, Mrs. Arti Chopra, the students of Amity International School, Sector 46, Gurgaon (classes 6th to 10th) participated wholeheartedly in a science exhibition held at Amity 46, Gurgaon Campus on the 22nd of March, 2024. The event served as a platform to showcase the students' ingenuity and passion for scientific exploration.

The inauguration ceremony was graced by the school Principal, Mrs. Chopra, who symbolically launched a rocket to mark the commencement of the exhibition. Her inspiring speech set the tone for the event, urging students to unleash their creativity and innovation in their projects. The students were divided into various groups, each had to present a unique project. The exhibits encompassed a diverse range of scientific disciplines, from interactive games like "Save the Earth" to hands-on activities such as "Make Your Own Microscope" and "Fun with DSLR." Additionally, projects exploring astronomy, robotics, and environmental science were featured, captivating the interest of both participants and visitors. Overall, the science exhibition was a resounding success, showcasing the talent and potential of our budding scientists and innovators.

LITERATI: THE FESTIVAL OF LANGUAGES, ART & CULTURE

With the blessings of Hon'ble Chairperson Dr. Mrs. Amita Chauhan and Founder President Dr. Ashok K. Chauhan, AISG46 took the responsibility of carrying forward the mission and vision of our torchbearers to help students be creative and kind, with exemplary communication skills by hosting the Literati Fest. 2024.

With the kind guidance of our Principal Ms. Arti Chopra, AISG46 hosted a one-of-a-kind competition, Literati 2024 - the festival of languages. This 13th edition of Literati was based on the works and message of Rabindranath Tagore'. The preliminary round of the competitions were conducted online where participants submitted video entries. The shortlisted teams were called for the final round on 8th May, 2024. 14 competitions across 5 languages namely, Sanskrit, Hindi, German, French were organized. Four online writing competitions for which topics were given on the spot were highlights of the FEST. Approximately 550 students from 26 schools across NCR participated in different competitions.

The final rounds of the competitions were held offline followed by the valedictory ceremony on 8th May, 2024 which culminated the efforts of all participants and organizers beautifully. The closing ceremony acknowledged the hard work of all participants, with esteemed judges present to announce the results. While the marks tally announced AISG46 and AIS Saket was declared overall winners. Being host school AISG46 very graciously handed over the overall championship trophy to AIS Saket making them the overall winners of Literati 2024.

AISG46 is honoured in its endeavour to provide an enriching platform to the students. While the students accepted and cheered for their results in the best spirit, it was the participation that filled us with enthusiasm and motivation to present a bigger and better Literati, in its 2025 edition.

SHUBHSIDHI: BIDDING FAREWELL TO THE BATCH OF 2024

With the blessings of Honourable Chairperson Dr. (Mrs.) Amita Chauhan and dynamic principal Ms. Arti Chopra, the Farewell – Shubhsiddhi - for the class 12 batch of 2023-24 took place on Monday, 6th May 2024. It consisted of activities, testimonials, and dance performances. The event was a fiesta devoted to the memories of the years spent together with friends and teachers.

The auditorium was full and the speech by Principal Ms Arti Chopra enlivened the gathering. The speeches by ex-Head boy, Anirudh Chaturvedi and ex-Head girl, Khanak Aggarwal made everyone feel nostalgic. Nrityanjali- a classical dance performance began the celebration with full energy. The incredible dance performances by the students set up the momentum for their seniors without doubt. The video journey showcased by the students was really a treat to eyes. The glimpse of the years spent by students of the outgoing class XII in the school and their mischief made everyone feel emotional. The students and the staff alike applauded the efforts put in by the students of class XII, which was well reflected throughout the program. Personalized video messages by teachers were really appreciated by the outgoing batch and made them relive the moment. Principal and other faculty members wished all the students luck for their future endeavours.

SHOWCASE OF EXCELLENCE IN KARATE

Under the guidance of Honourable Chairperson Dr. (Mrs.) Amita Chauhan and her vision of the all round development of students, the students of the school were encouraged to participate in a Karate competition. The competition was organised by Shito –Ryu Karate Sports of India (SKSI) to examine and identify exceptional Karate Black Belt candidates. This exam is the test of students mental and Physical capabilities as per the requirement of Karate.

The test was conducted in accordance with the condition and regulations governing body Shito –Ryu Karate Sports of India (SKSI) .Our shining stars, Lakshay Dhawan and Arhaam Ubaid Sofi successfully cleared the exam and were awarded with black belt which is the highest level belt. The event was organised on 8-03-24 by Shito – Ryu Karate Sports of India (SKSI) which is approved by Karate Indian organization (KIO) and recognised by government of India.

VOCABATHON 2024 - THE BATTLE OF WITS

“The will to win, the desire to succeed, the urge to reach your full potential... these are the keys that will unlock the door to personal excellence.”

With the objective of improving vocabulary of Amity students, Honourable Chairperson Dr. (Mrs.) Amita Chauhan dreamt of a competition where students could hone their vocabulary skills and as a result Vocabathon was born in 2021. Under Honourable Chairperson’s able guidance and vision, Amity International School, Sector 46, Gurugram conducted the fourth edition of Vocabathon - The Battle of Wits from 22nd to 24th April 2024 .

This year for class 1 to 5 it was in real time intra class competition, whereas for class 6 to 10, it was inter-school competition held on the virtual mode. A total of 17 Amity schools participated in the competition with full zest and spirit. This mega event was diligently organized under the adept guidance of AISG 46 school Principal, Ms. Arti Chopra who left no stone unturned to make it successful.

The event was conducted in two rounds for junior and senior schools. The preliminary round (intra school level) was conducted in individual classes across 17 schools and it involved all the students. This round was conducted with the help of Microsoft Forms by individual schools and the top three scorers represented the class as a team for the final inter-Amity round for class VI to X.

Similarly for class 1 to V, the top three students per section were selected and competed as intra class . The final inter-Amity round comprised of two rounds for class VI to X , the first round was the MS Forms Elimination Round and the second round was the final Live Quiz Power Point Presentation Round consisting of five rounds. Out of 17 schools in Elimination Round, 5 teams were selected for the final PPT round who then competed for the top position. Amity International School, Sector 46, Gurugram was the overall organiser of this competition and proved instrumental in establishing the foundation of this vocabulary marathon. 5 Delhi-NCR Amity schools became the host of the event which took place for three days .

Congratulations to the Winners !!!

JUNIOR AMIGMUN-2024

With the blessings of our chairperson ma'am Dr. Mrs. Amita Chauhan and guidance of our school principal Ms. Arti Chopra, Amity International School, Sector 46, Gurugram marked the opening of the first edition of AMIGMUN on 15th May 2024, as an initiative to inculcate the importance and overall knowledge of diplomacy and public speaking in the form of Model United Nations, a simulation of United Nations Assemblies for students.

The opening ceremony began with the lighting of the lamp. The school choir presented a melodious song performance which was a cosmic blend of tunes and melody. The school's principal, Ms. Arti Chopra addressed the students with her motivational words and praised the contributions of the MUN Society. The secretary general of the MUN Society, Manvi Yadav, was invited on stage to recall her MUN experience and introduce the executive board members. A beautiful opening video by Tech team was also shown during the ceremony. With 6 committees, more than 350 delegates, the conference was sure to be a success. Then with the gavel's decisive thump, the conference officially commenced.

There were many interesting highlights of the event including the clever arguments in the UN General Assembly, the amazing strategies in UNSC, intellectual debates in the UNEP, dedication for resolution in the CBSE, powerful camaraderie and the fast pace in the International Press, and the brilliant wits in Lok Sabha. The coming together of the 6 committees with their own uniqueness made the conference enjoyable for both the delegates and the EBs. The International Press released a special edition of Junior AMIGMUN newsletter – The Muniverse Gazette, the official newsletter for the conference to life, giving reports on each committee.

In the closing ceremony Principal ma'am congratulated class VIII students and applauded the efforts put in by them as delegates. The prize distribution ceremony followed the Principal's address. Then came the most awaited part, when the EBs announced the Best Delegate, High Commendation and Special Mention awardees from their respective committees. Students of class VIII had an enriching experience.

MOTHER'S DAY CELEBRATION HONOURING MATERNAL LOVE AND APPRECIATION

Mother's Day at AISG-46 was a heartwarming celebration, uniting students, mothers, and staff. Principal Mrs. Arti Chopra, akin to a mother figure, played a central role, bringing warmth to the event. Children joyfully presented her with crowns as tokens of love and appreciation. Performances by students, especially grades I and II, showcased their admiration for mothers, filling classrooms with applause and pride.

Headmistress Mrs. Sumity Kapoor's anecdotes resonated deeply, while Academic Coordinator Mrs. Jasdeep Kaur Duggal ensured flawless execution. A highlight was the crowning ceremony, symbolizing mothers' queenly stature. Fun games and the Talent Fiesta Show strengthened bonds between mothers and children, adding joy to the occasion. The event concluded with a group photograph, capturing shared smiles and cherished memories. As mothers departed with their crowns, the event's impact on hearts was palpable, marking a memorable celebration of maternal love and appreciation.

SWASTI: FOCUSING UPON MENTAL HEALTH

"True wellness is the harmonious balance of mental clarity, physical vitality, and emotional serenity."

Amity International School, Sector 46, Gurugram, celebrated Swasti–The Wellness Week from April 29th to May 3rd, 2024, aimed at promoting holistic well-being among students under the able guidance of Dr. (Mrs.) Amita Chauhan, our Honourable visionary Chairperson, and the leadership of Ms Arti Chopra, our Principal. The week featured a diverse array of activities and resources focused on physical, mental, emotional, and social wellness, fostering a culture of support and connectedness within the school community.

Special assemblies addressed various aspects of wellness, including mindfulness, empathy, gratitude, and mental well-being. Principal Ms. Arti Chopra delivered a motivating talk, emphasizing mindfulness and Om chanting. Counsellors highlighted the importance of mental and emotional well-being, culminating in a nukkad natak raising awareness about the effects of abusive language. Overall, Swasti Wellness Week was a resounding success, highlighting the school's dedication to holistic well-being and fostering a supportive environment conducive to students' overall development.

JUNIOR YOGA TEAM STRIKES GOLD: TRIUMPH AT INTER-AMITY COMPETITION

Under the esteemed guidance and support of Dr. (Mrs.) Amita Chauhan, Chairperson of Amity Group of Schools and RBEF, a team comprising six students from classes IV and V comprising Amyra Sharma 5 G, Manishka 4A, Sudiksha Nanubala 4H, Eeha Singh 4C, Maira Moond 4A, Ariana Dhanda 5F were selected to represent the junior yoga team of AISG-46 at an inter-Amity Yoga competition which took place at Amity Vasundhara Sector-6 on April 16th, 2024. This competition aimed to provide a platform for students to showcase their

yoga skills. The exceptional performance and flawless execution of asanas by the junior yoga team of AISG-46 left the audience spellbound, ultimately securing them the first position. The event witnessed a captivating display of talent, confidence, strength, and flexibility by the yoga performers, which thoroughly impressed the judges. Participants were evaluated by yoga experts based on criteria such as flexibility, coordination, grace, and correctness of posture.

Congratulations to the Winners !!!

SHOWCASING TALENT AT THE STATE KICKBOXING CHAMPIONSHIP

Under the esteemed guidance and support of Dr. (Mrs.) Amita Chauhan, our Honourable visionary Chairperson, and the leadership of our Principal, Ms Arti Chopra, Lavanya from grade 6 G, student of Amity International school sec 46 Gurgaon, secured a silver medal in the kickboxing event. The competition was held at the Haryana State Sports Complex indoor stadium in Faridabad from May 3rd to 5th, 2024, organized by the Haryana Kickboxing Association as part of the 23rd annual Haryana State Kickboxing

Championship. Lavanya is set to compete in the upcoming National Kickboxing Championship at the Boxing Hall, Shivaji Maharaj Sports Complex, Balewadi, Malunge, Pune, from May 21st to 26th, 2024. The kickboxing programme, designed to instil competitive spirit in students, encompasses the art of kickboxing, integrating techniques from karate and boxing. Mrs. Arti Chopra, the School Principal, commended Lavanya's dedication and extended her best wishes for her future endeavours, recognizing the programme's profound potential to make a lasting impact on many lives.

Congratulations to the Winners !!!

ROLLER SKATING CHAMPIONSHIP

"Sports are a great way to build discipline, hard work, and a sense of community. They teach students valuable life lessons like sportsmanship, beyond the classroom."
- Venus Williams

The 61st National Roller Skating Championship was held recently, showcasing remarkable performances and achievements in Chandigarh. This prestigious event drew participants from various regions, competing in multiple categories and age groups. Anika Kaul (IV A - State Gold Medal), Attarv Kaul (IV B - State Gold Medal), Krishiv Sharma (IV F - National Bronze Medal), Tanishka (IV I - State Gold Medal), and Shruti (IV IH - State Gold Medal), Saransh Sharma (III- I - CBSE North Zone Gold Medal), made a notable impact, with their skaters securing several top positions. Their success is attributed to rigorous training under coaches Mr. Rohtash and Mr. Rajesh, reflecting the school's dedication to excellence in roller skating.

Overall, the 61st National Roller Skating Championship was a testament to the growing popularity and competitive spirit of roller skating in India, with participants displaying exceptional skills and sportsmanship.

INTER AMITY CHESS COMPETITION

Under the guidance and vision of our Chairperson, Dr. Mrs Amita Chauhan and the able leadership of our Principal, Ms Arti Chopra, our students have flourished into multi-talented, versatile and all round learners with advanced 21st Century skills. They have performed very well in the Inter Amity Chess Championships this year.

The 12th Inter Amity Chess Championship for the 2024-25 season, held at AIS Mayur Vihar, New Delhi, on April 24, 2024, showcased a remarkable display of talent and sportsmanship from participating schools. Under the experienced guidance of coach Mr. Naveen Garg, the event witnessed fierce competition and exemplary performances from young chess enthusiasts.

Sub Junior Primary Girls Team: Under the leadership of Mr. Naveen Garg, the Sub Junior Primary Girls Team, comprising Heena Garg (Grade 5), Padmaja A. G. (Grade 4), Anubha Chandak (Grade 4), and Mishka Arora (Grade 4), demonstrated exceptional skill and determination. Their strategic prowess and dedication earned them a well-deserved 2nd position in the competition.

Sub Junior Primary Boys Team:

Similarly, the Sub Junior Primary Boys Team, consisting of Advit Yadav (Grade 5), Mridul Jejan (Grade 5), Vibhor Garg (Grade 5), and Samarth Shukla (Grade 4), exhibited remarkable talent and strategic thinking on the chessboard. Their cohesive teamwork and focused efforts secured them the 2nd position in the tournament.

Congratulations to the Winners !!!

SUSTAINABLE INNOVATORS

Under the visionary guidance of our Chairperson, Dr. Ms Amita Chauhan and the able leadership of our dynamic Principal, Ms Arti Chopra, our students participated in the Sustainable Innovators, Inter-School Science Exhibition organised by Dainik Jagran and Amrita University.

The Exhibition was judged by a panel including Assistant Professor Dr Shobhit Saxena from the Chaudhary Charan Singh University, Meerut, Department of Electronics, and Communication and Engineer Mr Bharat Singh. We are glad to share that one of our teams represented by Bulbul, Sanvi and Mihika, all students of class XI presented their project, Dori- a robotic fish (Tarangini). Their team was awarded the second prize as Challengers with a Cash prize of Rs. 10,000/-.

Congratulations to our Budding Innovators!!!

HEALTH CHECKUP CAMP

Our school in Collaboration with Medanta–The Medicity, organized a free medical health checkup camp at the school on 3rd feb 24 here in keeping with the social responsibility of both institutions. The school principal Dr Arti Chopra who herself is an ardent believer of healthy lifestyle and motivator believes that 'To keep the body in good health is a duty, otherwise we shall not be able to keep our mind strong and clear.' In the present times, growing stress has made it important for all of us to have a focus on preventive health care and this was an effort towards promoting this.

The consultation by a trained senior doctor was sought after assessing their vital parameters like pulse rate, Blood pressure, height, weight along with random blood sugar test with ECG sand pulmonary function tests in the school camp.

AMITIANS SHINE IN BASKETBALL CHAMPIONSHIP

Under the visionary guidance of our Chairperson, Dr. Ms Amita Chauhan and the able leadership of our dynamic Principal, Ms Arti Chopra, our under 16 basket ball teams have done very well in the game. An inter-school Basket Ball Championship-Euphoria took place at the Orchids International School Gurgaon from the 17th to the 19th of May, 2024. Our School team of girls and boys participated in Under 16 category. Our girls team bagged the Gold medal while our boys team bagged the Bronze medal. Ahana Sood 10 G, Siya Chawla 10 G, Gauri Shukla 10 G, Arshia Swain 10 D, Anaiya Midha 10 J.

ACKNOWLEDGEMENT OF ACADEMIC BRILLIANCE

Our esteemed Principal Ms. Arti Chopra was felicitated by our respected Chairperson Dr. Ms. Amita Chauhan, for her essay enlisted as one of the best entries at Inter Amity level, submitted on Teachers' Day, 2023. Ms. Regina Mukherjee (PGT English) and Ms. Vandana Prashar (PGT History) were also felicitated for their essays, under the dynamic guidance of Principal Ms. Arti Chopra.

Congratulations to the winners and heartfelt gratitude to our beloved Chairperson Madam for her motivation and consistent mentorship.

YOUNG INNOVATORS SHINE: OUR STUDENTS ACHIEVE NATIONAL RANKS IN NATIONAL LEVEL SCIENCE TALENT SEARCH EXAMINATION

Under the vision and guidance of under the able guidance of Dr. (Mrs.) Amita Chauhan, our Honourable visionary Chairperson, and the leadership of Ms Arti Chopra, our Principal our students performed very well at the NSTSE exams. Congratulations to Arhaam Ubaid, Saatvik, Nikshay Varshney, and Viaan Poornit from Grade 5 at Amity International School, Sector 46, Gurugram, for their remarkable achievement in securing national rank in the National Level Science Talent Search Examination (NSTSE) conducted by the Unified Council! It's truly commendable to see their dedication and excellence in the field of science. Kudos to them for making the school proud! It's wonderful that their efforts were recognized and celebrated by the Principal, Ms. Arti Chopra ma'am, and the Head Mistress-Primary, Ms. Sumity Kapoor ma'am. Such recognition serves as a great motivation for the students to continue their pursuit of knowledge and excellence.
